Ref. No.:	PhO-IMC-1000A-SFP(-T)
Date:	May 02, 2017

PRODUCT NOTICE

Dear Valued Customers,

The purpose of this Product Notice is to inform you that the following Antaira product series are under the End of Life (EOL) process and will be phased out on May 02, 2017.

EOL Notice Date	Phase Out Start Date	Last Buy End Date	Last Ship Date
May 02, 2017	May 02, 2017	Aug 15, 2017	Nov 15, 2017

EOL Products Series:

Model Name	Description
IMC-1000A-SFP (-T)	10/100/1000TX To 1000LX/SX Industrial Media Converter, with SFP Socket; & EOT Version: -40 to 75°C

In order to continue providing future support and long-term commitment, Antaira has decided to announce the EOL process for the above series. Antaira's IMC-1000A (industrial media converter) series has been employed in various markets over the years. This current series has become outdated and has a limited demand for advanced industrial networking applications. Please be informed, Antaira has developed and designed the new compact (IMC-C1000-SFP) media converter series as an alternative replacement solution.

Please refer to the comparison table below to determine the appropriate phase-out and alternative replacement models.

Comparison Table

Picture	EOL Model	Description	Picture	Alternative Model	Description
	IMC-1000A-SFP(-T)	10/100/1000TX To 1000LX/SX Industrial Media Converter, with SFP Socket; & EOT Version: -40 to 75°C		IMC-C1000-SFP (-T)	Compact 10/100/1000TX To 10/1000LX/SX Industrial Gigabit Ethernet Media Converter, with SFP Socket, -40 to 75°C

*** If you need any SFP transceivers to work with the new compact IMC-C1000-SFP series, please contact an Antaira sales representative to help fulfill your application requirements.

Antaira appreciates your understanding and patience as we phase out the above items. If your project still requires any of the products being phased out, please contact your local Antaira sales representative or an authorized Antaira regional distributor. We will initiate the appropriate action to handle your request. Please note that all service rules (e.g., warranty) still apply after the products are phased out.

Regards,

David Zaveski
